

EVERGREEN ELEMENTARY PARENT NEWSLETTER

MAY 2024

Principal's Message

Dear Evergreen Parents/Guardians,

Our final full month at the elementary school will be a busy one. I would like to point out some of the important dates/events that will be happening around campus.

- Kindergarten registration is currently open as well as signing up for our Summer School program. It is open for only currently enrolled students in grades TK/Kindergarten through 7th grade.

- Our 3rd and 4th grade students will be taking the CAASPP test the first two weeks of May. The third week of May will be for make-up testing. This assessment gives our school an opportunity to reflect on our areas of academic growth and determine the needs of our students in the future.

- We will be celebrating the Cottonwood Rodeo on Friday, May 10th with a Pancake Breakfast for our school community in our cafeteria.

- May 16th is scheduled for our annual Elementary School Open House. We are very excited to have our families on campus and to provide the opportunity to showcase your child's classroom. We have a fun-filled evening planned for everyone.

Please see the flyers in this newsletter for more information on all of our upcoming events and call the office if you have any questions.

Finally, as we quickly approach the summer, I would like to share something I read in a book by Adam Grant. It talks about the importance of reading and I hope you can continue to provide your child with reading opportunities this summer.

A love of reading often begins at home. If we want our kids to enjoy reading, we need to make books part of their lives. That involves talking about books during meals and car rides, visiting libraries or bookstores, giving books as gifts, and letting them see us read. Children pay attention to our attention: where we focus tells them what we prize. Reading is a gateway to opportunity: it opens the door for children to keep learning.

Hope to see you all around campus this month!

Mr. Gallagher

The Evergreen Union School District - Evergreen Elementary School - English Learner Advisory Committee (ELAC)(DELAC)

is an advisory committee whose purpose is to provide input and advice to the site administration. ELAC is not a decision making council nor does it approve expenditures from any funding source. However, it does provide input and advice on school decisions and the use of funding sources dedicated to English Learners.

Parents who serve on the ELAC are elected by parents/guardians of English Learners and must make up at least the same percentage of the committee membership as their children represent the student body. (5 CCR 111308)

The Evergreen Elementary School ELAC maintains records of all meetings that include agendas, minutes, and sign-in sheets.

We are always looking for new members. Please consider being a parent representative. Applications are available in the school office.

Our next meeting will be on Wednesday, May 15th, 2024 at 8:30am in Room 71.

El Distrito Escolar Evergreen Union - Escuela Primaria Evergreen - Comité Asesor de

Aprendices de Inglés (ELAC)(DELAC) es un comité asesor cuyo propósito es brindar información y asesoramiento a la administración del sitio. ELAC no es un consejo que toma decisiones ni aprueba gastos de ninguna fuente de financiamiento. Sin embargo, proporciona información y asesoramiento sobre decisiones escolares y el uso de fuentes de financiación dedicadas a los estudiantes de inglés.

Los padres que sirven en el ELAC son elegidos por los padres/tutores de los estudiantes de inglés y deben constituir al menos el mismo porcentaje de miembros del comité que sus hijos representan al alumnado. (5 CCR 111308)

El ELAC de la Escuela Primaria Evergreen mantiene registros de todas las reuniones que incluyen agendas, actas y hojas de registro.

Siempre estamos buscando nuevos miembros. Por favor considere ser un representante de los padres. Las solicitudes están disponibles en la oficina de la escuela.

Nuestra próxima reunión será el miércoles 15 de Mayo de 2024 a las 8:30 a. m. en el salón 71.

PARENT PLACEMENT REQUESTS

May 2024

Dear Parents or Guardians:

We are now ready to place your incoming TK/K and current TK/K-Fourth grade students in classes for the upcoming 2024-2025 school year. The teachers and the principal will be putting class lists together very soon; therefore, we are opening an abbreviated window for parents to fill out and return the Parent/Child Information placement forms. **The Parent/Child Information placement forms will be available to pick up by PARENTS ONLY in the elementary school office on Monday, May 6th and need to be turned into the office by Thursday, May 9th by 3:30. Any turned in after that date will not be reviewed.**

It is important to realize that placement decisions are the responsibility of the principal, and that the highest priority considered in making placement decisions is the academic needs of your child as identified by his or her teacher. Also, it is important to remember that many other factors influence these decisions. These factors include: consideration for the social needs of the child, class size, and the need to maintain a balanced group.

Teacher staffing may change due to further unforeseen revisions this summer. The teacher you request may not be at the grade level you request. Your child's class placement will be posted in Aeries the week prior to school starting.

Sincerely,

Kevin Gallagher

Principal
