

EVERGREEN UNION SCHOOL DISTRICT
Annual Title I Meeting

December 3, 2020 Minutes

Meeting began at 5:32 P.M. virtually

A. Welcome and review of agenda

B. Title I Schoolwide Program

Principal Jones reviewed the schoolwide program and explained the difference between school-based and schoolwide. Evergreen Elementary is a school-wide Title 1 school because we have a Free and Reduced lunch count above 40%. She then gave an explanation of where your Title I dollars go. About 78% of the money is for Instructional Aides and 21% for professional development.

C. Parent and Family Engagement Policy 6020.11 & Compact

Mrs. Jones shared a draft of the EES Parent and Family Engagement Policy - explaining the focus of the policy is to help parents understand that the school desires to involve parents in their child's education in and outside of the school setting. She noted the focus is on involvement, building capacity, and accessibility. Principal Jones noted underlined areas that have changes because of school conditions under Covid 19. After reviewing the policy there weren't any revisions made.

Principal Holly Jones also shared a draft of the EES School-Parent Compact - explaining how the three parties (school, parent, and student) are agreeing to work together to ensure students meet academic standards. Changes were made to the Compact to reflect the different learning conditions during distance and "in person" learning.

D. Standards, Curriculum, and Assessment

Mrs. Jones shared the graphic of how standards, curriculum, instruction and assessment all fit together to ensure student success.

E. School Plan Goals

Mrs. Jones reviewed the LCAP goals for the group and shared that new goals will be written in the spring

of 2021 to streamline our goals in alignment with our rebuilding.

Mrs. Jones reviewed the School Plan for Student Achievement Goals and explained how they are two-fold. Three of the goals focus on Academic Performance in regards to meeting academic standards for all students, significant subgroups, and English Learners. Four of the goals focus on Engagement, Conditions, Climate, and attend to attendance, suspension, school climate, and parent responses about the school setting. Both sets of goals, under Academic and Engagement, Conditions, and Climate may not be able to be measured under Covid closures.

F. Communication with Families

Mrs. Jones explained all the different ways we currently perform to communicate with families. At the Elementary School there is a monthly newsletter, communication is done through Aeries (in primary language), parent and student email, as well as Student Success Team Meetings, and Attendance Student Success Team Meetings. Mrs. Jones explained that all communication is provided in the primary language of the parents when needed.

G. Closing and Discussion

There were no questions or revisions requested by the attendees of the meeting. The meeting concluded at 5:56 P.M.
