EVERGREEN ELEMENTARY PARENT NEWSLETTER

November 2021

It is hard to believe that we are already in November. This month we will be giving our school-wide assessments and using that data to help guide your child's instruction. Our teachers have been doing some amazing work in and out of the classroom with your children. We are excited to be able to use our Facebook page to "show off" all this great work.

As a school we have finished up our month of bully prevention instruction. We will continue to practice the Stop, Walk, Talk, as well as Recognize, Report, and Refuse as tools to assert ourselves and stand up for what is right. In November, we will focus on empathy and emotion management.

Finally, I wish all of you a Happy Thanksgiving. I am very thankful for our amazing students, staff, and families at Evergreen!

SCHOOL NEWS & UPDATES

Second Step : Empathy

This month, our schoolwide theme is empathy. In our morning announcements and at the end of the month school assembly we'll be reminding students to have empathy, identify their own and other's feelings, notice and respect the same and different feelings, and show compassion. Compassion involves saying kind words or doing something helpful to show you care how another person feels. When students can identify, understand, and respond in a caring way to how someone else is feeling, it helps create a positive and accepting school climate.

Second Step lessons specifically teach about empathy. You'll be receiving Home Links describing why empathy is important and including fun activities to do with your child to help him or her identify feelings and practice showing empathy and compassion. We hope you will find them helpful.

Please tell your child's teacher if you have any questions about how you can help your child learn to identify feelings and practice showing empathy and compassion at home.

Make Up Picture Day

Make Up picture day has been rescheduled for **November 18th.** Pictures can be pre-ordered on the website www. Studio530photo.com

Photos that were already taken should arrive before Make up day so that way you can decide if make ups are needed.

<u>Facebook</u>

We're Back! We hope to be able to use this platform to show you all the great things happening at the Elementary School!

Lost and Found

Our lost and found rack is filling up fast. There are lots of coats, lunch pales, and water bottles. Please remind your child to take a look for their lost items. The lost and found is located across from our cafeteria.

Our wonderful bus drivers would like to remind our TK-3 parents who pick up their children to please keep the left hand lane of the pick up area clear of cars. Our buses need to be able to travel through this area to start their routes. We all appreciate your help with this as we continue to work on ways to keep all of our school community safe.

<u>Cookie Dough</u>

Thank you to everyone who participated in our school fundraiser. Orders take between 3-4 weeks to get processed and delivered to the school. We will let you know as soon as we have a date.
